GARDINER DAM TERMINAL ANNOUNCES ACQUISITION OF AGSERVICES BUSINESS UNIT

STRONGFIELD, SASKATCHEWAN – Gardiner Dam Terminal Ltd. (GDT Ltd.), a co-venturer with Viterra Inc. in Gardiner Dam Terminal Joint Venture (“GDT JV”), is pleased to announce GDT Ltd’s acquisition of Viterra’s interest in the former GDT JV AgServices business unit.

GDT Ltd. has approved an investment of approximately \$1.9 million to purchase Viterra’s 50% interest in the AgServices business unit. The purchase results in a new operating arrangement whereby GDT AgServices Ltd., a wholly-owned subsidiary of GDT Ltd will own and operate the crop input supply division as a fully-independent dealer. GDT AgServices will also provide management and operational staffing to GDT JV for the grain division. The close of the deal and subsequent implementation of this arrangement will be completed on or before for Thursday, September 12, 2013.

“Our customers and shareholders have displayed a passion for local service and local ownership. We believe an increase in independent ownership structure will assist in improving our ability to respond to competition in our market area, while growing sales and profits for both customers and shareholders.” said Shawn Buhr, Vice-President of GDT AgServices Ltd..

The acquisition will initially be financed through both commercial mortgage financing and cash flow from operations. As security for financing, each of GDT AgServices Ltd. and GDT Ltd. have pledged their respective interests in GDT AgServices Ltd. in favour of the lender, and granted the lender a mortgage against such facilities.
